Jose Preciado is keeping Chula Vista moving forward: faster 911, affordable homes, revitalized Bayfront and Third Avenue, clean parks, and more local jobs. He won't let Washington's chaos drag us backward. Jose fights on our side and gets results.

Getting The Basics Right…. As City Councilmember, Jose Preciado added 7 police officers, 24 firefighters and Fire Station 12. He banned homeless encampments blocking streets by schools and parks. Jose fights for a safe, clean city that works.

Fighting For What's Right… Jose Preciado opposes Trump's ICE chaos. Jose passed Chula Vista's Good Neighbor Law to stop warrantless ICE raids on city properties. All families deserve safety and dignity.

Taking On Corruption and Rising Costs… Jose Preciado voted against unjustified pay raises for city politicians, blocked surprise evictions and added 289 new homes families can afford. Jose puts working families first, not the rich.

Results Improving Chula Vista… Jose Preciado helped bring the Gaylord Hotel transforming West Chula Vista and creating 7,000 union jobs. He's upgrading Hilltop Park and Eucalyptus Park and keeping Third Avenue bustling with new shops.

While Washington makes life harder, Jose Preciado makes Chula Vista better. Jose is our Councilman, neighbor and SDSU educator who fights for us and gets results.

Keep Chula Vista Moving Forward. VoteJosePreciado.com
